African Development Indicators 2010

"Silent and Lethal: How Quiet Corruption Undermines Africa's Development Efforts"

The African Development Indicators (ADI), prepared by the office of the Chief Economist, is one of the flagship publications of the Africa Region at the World Bank. This year, the African Development Indicators (ADI-2010) consists of an essay entitled "Silent and Lethal: How Quiet Corruption Undermines Africa's Development Efforts" and an expanded data set of 1,600 variables. Dr Shanta Devarajan will present the basic findings of this report. The report should be downloadable as from 15 March at www.worldbank.org/africa

Moderator: Fantu Cheru, Research Director The Nordic Africa Institute
